## FOREWORD

As we look back through the past twelve years we find many fond recollections. Some of them we are proud of, but there are others we are equally ashamed of. We, the Seniors of 1964 hope that in the future when you look back through the past years that you remember your days at Aquilla High School as joyous ones and will always try to make everything you do something to be proud of.

We also wish to express our gratitude and appreciation to everyone responsible for the publication of the '64 Cougar and we hope you enjoy it as much as we have enjoyed making it.

## DEDICATION

With great sincerity and appreciation we, the Senior Class of 1964, dedicate the 1964 Cougar to the four people who were greatly responsible for our success in our high school years. These four people are, of course, our high school teachers, Mr. Batton, Mr. Darnell, Mrs. Clark, and our Senior Sponsor, Mrs. Eastland.

We owe much to these four teachers and this is our way of showing our appreciation and gratitude.

We hope the future Seniors of A. H. S. are as appreciative of their ability as we are.

MR. DARNELL

MRS. EASTLAND

# SUPERINTENDENT'S MESSAGE

As our Annual appears, to stand as a beacon in another school year and to mark another milestone in our maturing, it is my sincere hope that this year of 1963-1964 has increased your ability to:

Think for yourself.

Think clearly and logically.

Do the right thing because you know that it is the right thing to do.

Be the kind of person that YOU can respect and admire.

Increase your abilities for finding a place in adult living that will prove to be a full, profitable, and happy place in our society.

Toward these ends I humbly implore God's help and richest blessings for each of you.

Affectionately yours,

*Eston Batton*
